

Roger Caldwell

Golf Entertainer & Fundraiser

Adding a Lasting & Memorable Impression to Your Event

Endorsed by

Roger has entertained at over 700 golf events Worldwide. His creative blend of golf shots, funny gags and personality will have a lasting & memorable impression with your guests. To assist in fundraising efforts, Roger will also incorporate and facilitate his own unique Honey Pot or Wager Game during play to generate additional Profits for the Charity - traditionally \$2,000 - \$8,000 per 100 Player Event.

To leverage Roger's attendance at the event, many of our clients also create a 'Trick-Shot/Golf Entertainer' package to incorporate into their existing sponsorship options. Other clients incorporate Roger into their existing Title Sponsorship Package - as a value added component. Along with the traditional options included in your existing sponsorship packages, Roger will also represent the Sponsoring Company by incorporating the following - maximizing their sponsorship:

- **Wear Sponsor Branded Apparel During the Event**
- **Have made a Custom Designed/Branded Golf Bag with Sponsor's Logo and Colors.**
- **At Awards Ceremony - Roger and Sponsor present an oversized, Custom Branded Check of the Additional Proceeds Generated During the Event.**

If you're interested in enhancing your event and leveraging Roger's sponsorship and entertainment value – along with his unique fundraising capabilities, we welcome the opportunity to visit with you and/or your golf committee in more detail.
